

**The Alumni Association Scholarship Fund
of the Former
Albert Einstein Medical Center Nursing School of Philadelphia**

GENERAL INFORMATION

NFP's *The Alumni Association Scholarship Fund of the Former Albert Einstein Medical Center Nursing School of Philadelphia* exists to provide scholarships to students demonstrating financial need in the pursuit of a nursing degree.

Assuming qualified applicants, the standard will be to select at least one scholarship recipient annually in each of the degree levels. However, should multiple strong candidates stand out in a particular degree level, NFP's scholarship committee reserves the right to select more from that group in lieu of selecting from each degree level.

All info regarding NFP scholarships can be found at www.theNFP.org under the "Scholarships" tab.

Questions may be directed at any time to Jennifer Neidig (jneidig@psna.org), 717-798-8942.

All scholarship application forms, essays and letters of reference will be maintained in a confidential manner at all times. All copies of applications, essays and letters of reference will be returned by scholarship selection committee members to NFP headquarters following selection of the scholarship recipient/s.

CRITERIA

1. The applicant must attend an accredited baccalaureate, associate degree, RN-to-BSN-completion nursing program, advanced nursing degree program, or (re)-certification program in the Commonwealth of Pennsylvania.
